

We're Hiring

Evening/Night Bread Baker 7pm-3am, 8pm-4am

Join our team of experienced and expert bread shapers and bakers. Learn how to shape all of our doughs by hand. As a shaper you will have the opportunity to learn about proofing the dough, dividing it into pieces for shaping, and baking loaves after they have proofed.

Qualifications: Our shapers and bakers have excellent hand skills and treat the dough very gently. Shapers and Bakers must work fast and efficiently as part of a team; follow the direction of the Production Supervisor; and be able to get along with a variety of people. Previous experience with bread and/or culinary school experience is preferred. Ability to communicate in English is necessary. This is a nighttime position, **weekends are required**.
